## **The Feminist Bestseller: From Sex and the Single Girl to Sex and the City** Imelda Whelehan

Imelda Whelehan provides an overview of popular women's writing from the late 1960s to the present, looking at how key feminist texts such as *The Women's Room*, *Kinflicks* and *Fear of Flying* have influenced popular contemporary fiction such as *Bridget Jones' Diary* and *Sex and the City*. Whelehan reconsiders the links between the politics of feminist thought, action and writing and creative writing over the past 30 years and suggests that even so-called 'post feminist' writing owes an enormous debt to feminism's second wave.
