## **Bears! Bears! Bears!** Bob Barner

Everyone's favorite bears (and some you may have never met before) fish, munch, dive, cuddle, and climb their way through this playful romp. The simple rhyming text is enhanced with fun facts about new cubs (pandas are born no bigger than a stick of butter!) and bears around the world (the spectacled bear is the only species native to South America), while Bob Barner's richly textured paper collage illustrations bring the bears of the world to life. Budding ursinologists will bearly be able to contain themselves—this book is sure to leave them roaring for more!
