## Challenges Toni Cantrell

Fleeing 'unpleasant entanglements with the law' back East, Mark Stone and his lovely daughter Kellie have come to California's San Joaquin Valley in 1872 to begin anew. The challenges they face and the people they meet have profound consequences, not only in their lives, but for future generations. The Kellys, the Hartley family, Beau Chandler, and others present life lessons sometimes hard-learned, but usually beneficial. Will Kellie and her father find happiness or heartache in California's raw ranch country?
