Cheyenne Valley Willard Hill

"They hit us just before dawn, riding down on us screaming and hollering like banshees. 'Indians!' I hollered. 'Look out!' As soon as I dropped to the ground I fired at a brave coming at me with a lance, spinning him around and dropping him where he stood. Raising my rifle again, I was taking a sight on another brave when everything went white, and I knew nothing else. My body pitched forward and lay still. The American West is no place for the faint of heart. John Mabry hopes to settle quietly in the Cheyenne Valley and make a home for himself and his future family. When he meets Melanie, he is determined to make her part of his future plans as well; unfortunately, their meetings only seem to lead to deeper misunderstandings. In the face of rising unrest amongst the nearby Indian tribes, John tries to help keep the peace. He knows that if there is any chance of taming the West, it will take all people working together. With his friends Squirrel and George, he is determined to make Cheyenne Valley a place of equality, respect, and friendship.
