Those who have accepted Christ as their Savior enjoy the privilege of imputed righteousness, an unearned gift from God, but it doesn't end there. We may be saints in the eyes of God the Father through the grace provided us by Jesus's death and resurrection, but anyone who has been a Christian for very long knows that there is a battle within us that favors carnality over allegiance to God. *Crawling Out of the Wormhole* is a thought-provoking exploration of our worm-like state as humans. What drives our carnality over allegiance to God? What are the signs of living in a worm-like state? How do we ascend to a sanctified state? Author Bob Shields helps answer these questions. He guides us to a better understanding of ourselves. He examines the many challenges that Christians face on a daily basis, and he explores what it truly means to be a Christian through biblical study, honest introspection, and real-life experiences. Even though as Christians we have a ticket to heaven, we are exhorted to take an honest assessment of ourselves and to strive to cooperate with the Holy Spirit as He refines us. As you read *Crawling Out of the Wormhole*, you will begin to challenge yourself to look at your unacknowledged sins, change your mind-sets, and pursue an intimate relationship with God amidst the demands of everyday life, thus getting closer to a sanctified state.
