Thousands of people take EFT Universe Level 1 and 2 workshops each year. Workshops teach Clinical EFT, the "evidence-based" form of EFT based on research conducted according to American Psychological Association (APA) Division 12 standards on "empirically validated treatments." As part of the training, you receive the Level 1 and 2 workbooks. If you need another copy of either workbook, you can get it here. These are the same workbooks provided during EFT Universe workshops, and align with the PowerPoint presentations provided by the Certified EFT Universe Trainers who conduct authorized workshops. If you want to learn EFT, please instead order a copy of the third edition of The EFT Manual by Dawson Church.
