Antonio Alatorre Chávez

El heliocentrismo en el mundo de habla española (Cenzontle) (Spanish Edition) Antonio Alatorre Chávez

En este brillante recuento histórico, Alatorre expone el desarrollo de la teoría heliocéntrica en el mundo de habla hispana: su desarrollo desde sus orígenes hasta los últimos intentos de la censura católica, a finales del siglo XVIII, por reprimir a los partidarios del heliocentrismo en España y América Latina. La fascinación de Alatorre por la historia de la ciencia y de la literatura española se manifiesta en una prosa ligera e irónica que hace su texto accesible a un público no especializado.
