A new play by a rising Mexican playwright is premiering, and Eve and her lover, Silvio Aguilar, are there -- the writer is Silvio's friend from their barrio days. When the lead actress is a no-show, Eve quickly uncovers that Silvio has complicated past ties to the missing diva. But there is no time for hurt, betrayal, or suspicion -- not when there are signs of a struggle at the actress's bungalow. To make matters worse, an eager young reporter, whom Eve is mentoring, keeps insinuating herself into the case at every turn, crossing ethical lines that could bring Eve down with her. . . or get them both killed.
