**From Book 1:** *The one night she'll want to remember, she'll be forced to forget.*

It's been almost a year since Celine's fiancé's death and she's still struggling to move on. But when she meets Thane, the super hot lead singer of Thane's Redemption, she finds her desire reawakening, and her heart opening. Soon one kiss leads them straight into a night of heated passion...

Thane's unexpected connection with Celine only leaves him wanting more of her—but his life makes it impossible. For Thane's Redemption is just a cover for a deeper secret: A former Army Ranger presumed dead, Thane is really a time-traveling, covert operative charged with saving the world from disaster. Each jump through time forces those around him to forget he ever existed—and Celine would be no exception. But can time work in their favor to give them a second chance at love? Or will a choice Thane makes in the future put Celine in mortal danger?...
