A Changed Man and Other Tales is a collection of twelve tales written by Thomas Hardy. The collection was originally published in book form in 1913,[1] although all of the tales had been previously published in newspapers or magazines from 1881 to 1900.[2] There are eleven short stories and a novella The Romantic Adventures of a Milkmaid. At the end of the book there is a map of the imaginary Wessex of Hardy's novels and poems.[3] Six of the stories were published before 1891 and therefore lacked international copyright protection when the collection began to be sold in October 1913 (font: Wikipedia)
