A Foundation of Faith examines the essentials of salvation, biblical authority, worship, fellowship, and the Trinity.

A Foundation of Faith is one of five solid, biblical, five-week group studies—excellent for strengthening those established in faith and grounding those new to it. The five group studies are non-sequential and can be studied in any order.

Each study's five chapters are relevantly designed to be read and considered by group members during a week, followed up by discussion when the group gathers. These are powerful, spiritually foundational tools for deeper discipleship.
