Bring It (Sabel Security Thrillers) (Volume 2) Seeley James

Young and brash, Pia Sabel exposes a pedophile ring only to wind up tortured by the government.

When sketchy veteran Jacob Stearne is assigned to save her, the results become unpredictable. Pia Sabel expected a little recognition after she liberated a pedophile resort in Sri Lanka, not a State Department inquisition. Forced to play the deadliest game of her life, she finds molested children used in a new version of “enhanced interrogation tactics”. Putting herself in danger to save the innocent, her overconfidence leads to agonizing torment. Sabel Agent Jacob Stearne and his team of decorated veterans have lived through warzone horrors but nothing could have prepared them for the ugly reality they uncover. Fending off accusations of treason and terrorism, Jacob unravels a network of ambitious appointees and black-budget contractors to discover who is responsible for some of the most horrific crimes against humanity. **Buy now or get the boxed set at a big discount! Interview with Seeley James from DigiWriting.com

DW: Do readers really compare Pia and Jacob to other literary heroes and heroines? SJ: I've heard Pia Sabel compared to Jack Reacher many times because she's a straight-forward, no-nonsense heroine who beats the crap out of people. Recently, I've heard Jacob Stearne in the same breath as Stephanie Plum because of his whacky lifestyle and romantic problems. It's appropriate because he's our comic-relief character. **DW: What is your favorite book of all time? How has it influenced you and your writing?** I don't have just one. One Shot by Lee Child, because it has such an intricate set of clues, ranks right up there with First Drop by Zoe Sharp, because she nailed the teenagers with incredible insight and humor. **DW: Did you always want to be a writer or did you fall into the profession?** I was nineteen and single when I adopted a three-year-old girl and raised her (More about that on my site, <http://seeleyjames.com/about/>). Kids need a lot of money and attention, so I worked in the upwardly mobile tech industry. Later in life, my career afforded me the ability to take a huge risk. **DW: Which authors have had a profound impact on your writing?** SJ: Gillian Flynn because she thinks way outside the Agatha Christie formula. Janet Evanovich because her books are just plain fun. J. D. Robb (aka Nora Roberts) has some phenomenal writing techniques. Daniel Silva, Harlan Coben, Russell Blake, John Sandford, James Rollins, A. G. Riddle, Lance Charnes, the list just goes on and on...
