In this pop Christian culture many believers have never been exposed to the great truths upon which the Church of Jesus Christ has been built. One of those forgotten truths is the purpose and power of the blood of Jesus. We sing about it in our hymns, there is power in the blood, but few of us have experienced the reality of those words.

Chavda carefully lays the foundation as he presents a refreshing look at the importance of the blood of Jesus in the life of the believer. The Hidden Power of the Blood of Jesus is theologically sound but passionately written in a way that the reader will gasp for air as he discovers each new truth. Chavda will transform your thinking on the ‘blood of Jesus’ as he lifts it out of its stuffy theological setting and makes it practical in your life.
