Why I Failed: Lessons from Leaders Shweta Punj

Fail! And we are stamped for life. Don't we try and run from failure all our lives? But, 'spontaneous doing has to go through failures.' Acknowledging failure is singularly the most difficult thing to do. It takes tremendous courage to come out and say, yes, I failed. Shweta Punj chronicles sixteen such leaders who have celebrated their failure as much as their success. Each story is an anatomy of failure. So whether it was the difference between 'need' and 'want' that led Abhinav Bindra to miss that winning shot, or whether it was a suicide attempt that pushed Sabyasachi Mukherjee into fully realizing his potential—these stories will prod you to look at failure differently.
