Seventeen-year-old Dyna comes from a family of risk-takers and is an avid thrill-seeker herself, until the day she splinters her ankle in a terrible fall. Her life goes from mountain biking and rock climbing to sitting at home and attending group sessions at the bizarre alternative healing center that her hippie mother found. The boy who witnessed Dyna's accident believes her injury is a wake-up call and he encourages her mild new lifestyle, but a young Afghanistan War veteran she meets at the healing center pushes her to start taking chances again. Forced to face the consequences of her daredevil impulses, Dyna finds herself in danger of exposing the one thing she's always treated with caution--her heart.
