**Secrets Of A Gay Marine Porn Star** Rich Merritt

**Yes, It All Really Happened Just Like This. . .**

Here's the story of Rich Merritt--the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a *New York Times Magazine* article on gays in the military--whose complicated sexual past caused an international scandal when *The Advocate* "outed" him as "The Marine Who Did Gay Porn," putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity, of a man who refused to allow himself to be defined by the standards of anyone else--gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight and naked truth about:

- What it's really like growing up behind the "Fortress of Fundamentalism" and how he ultimately came to despise their views
- The harsh realities of military life under the "Don't ask, don't tell" Clinton policy
- A real insider's experience of working in the male porn industry--the good, the bad, and the extremely hot
- Why he chose not to reveal his porn past to the *New York Times* journalist
- What it felt like to be the most notorious marine in the world and what it took to come through the fire

By turns harrowing and heartbreaking, angry and affirming, *Secrets of a Gay Marine Porn Star* is that rarest of memoirs--a fascinating slice of life that reads like the most absorbing fiction, but is all true.

**Rich Merritt** has written an Op-Ed column for the *Navy Times*. He has been profiled for *The New York Times Magazine*, *The Los Angeles Times*, and *The Advocate*. Stories about him have appeared in the *London Times*, *The Washington Post* and many other publications. He is now an attorney living in Atlanta.
