The Transference Engine Julia Verne St. John

Madame Magdala has reinvented herself many times, trying to escape Lord Byron's revenge. She destroyed the Transference Engine Byron hoped to use to transfer his soul into a more perfect body and perpetuate his life eternally. A fanatical cult of necromancers continues Byron's mission to force Magdala and Byron's only legitimate child--Ada Lovelace--to rebuild the machine and bring Byron back.

Magdala now bills herself as the bastard daughter of a Gypsy King. She runs a fashionable London coffee salon and reading room while living a flamboyant lifestyle at the edge of polite society. Behind the scenes, she and Ada Byron King, Countess of Lovelace, use the massive library stored at the Bookview Cafe to track political and mercantile activity around the world. They watch to make certain the cult of necromancy surrounding Lord Byron, the poet king who worshipped death, cannot bring him back to life.

On the eve of Queen Victoria's coronation in June of 1838, rumors of an assassination attempt abound. Both the Bow Street Runners and Magdala's army of guttersnipe spies seek to discover the plot and the plotters. Who is behind the mysterious black hot air balloon that shoots searing light from a hidden cannon, and who or what is the target? And who is kidnapping young girls from all walks of life?

Desperately, Magdala and her allies follow the clues, certain that someone is building a new Transference Engine. But is it to bring back the dead or destroy the living?

Includes a special bonus story, "Dancing in Cinders"

From reader reviews:

Anita Rhodes:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each publication has different aim or goal; it means that reserve has different type. Some people truly feel enjoy to spend their time for you to read a book. They can be reading whatever they take because their hobby is usually reading a book. How about the person who don't like reading through a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will want this The Transference Engine.

Mark McKinney:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some study before they write for their book. One of them is this The Transference Engine.

Fred Simpson:

Within this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become certainly one of it? It is just simple solution to have that. What you need to do is just spending your time not very much but quite enough to enjoy a look at some books. One of the books in the top record in your reading list is The Transference Engine. This book which is qualified as The Hungry Mountains can get you closer in turning into precious person. By looking up and review this book you can get many advantages.

Samantha Smith:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Transference Engine can make you experience more interested to read.
