Blood and Fire

Nick Brownlee

Blood and Fire Nick Brownlee

"A literate and thought-provoking story that runs a bit deeper than the standard crime thriller. Brownlee peels back the layers of modern-day Kenya with a skilled hand."

—*Deseret News* (Salt Lake City)

Just when Inspector Daniel Jouma thought it was calm in Mombasa, all hell breaks loose. Bodies pile up in the morgue, his new boss wants answers...and the new mayor wants him out.

Meanwhile, the bulldozers are bearing down on Flamingo Creek, and fishing boat skipper Jake Moore is just one man against the corporate might of Kenya's most ruthless developer.

But soon a hideous secret, thought to be buried in the ashes of a deadly inferno, will bring the maverick crime-busting duo together once again. And Jake and Jouma are about to discover that when you play with fire, someone always gets burned...

From reader reviews:

Sharon Broome:

The book Blood and Fire can give more knowledge and information about everything you want. Why must we leave the great thing like a book Blood and Fire? A few of you have a different opinion about book. But one aim that book can give many info for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or details that you take for that, you can give for each other; it is possible to share all of these. Book Blood and Fire has simple shape however you know: it has great and large function for you. You can seem the enormous world by available and read a book. So it is very wonderful.

Kristopher Sutherland:

What do you regarding book? It is not important with you? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. They must answer that question because just their can do which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific Blood and Fire to read.

William Troutt:

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this Blood and Fire.

George McDaniel:

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Blood and Fire can be the solution, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
