El cártel negro (Spanish Edition)

Ana Lilia Pérez

El cártel negro (Spanish Edition) Ana Lilia Pérez

"*El cártel negro* es el trabajo más amplio, mejor documentado y más descarnado acerca de la grave incursión de la delincuencia organizada en Pemex. Ana Lilia Pérez, una periodista fuerte, incisiva y acuciosa, presenta en este libro la que probablemente sea su más acabada y potente investigación periodística."

Carmen Aristegui

Durante los gobiernos de Vicente Fox Quesada y Felipe Calderón Hinojosa, se desarrolla el "cártel negro", un conglomerado de funcionarios, trabajadores, empresarios, contratistas, inspectores, contralores, agentes aduanales, dirigentes y miembros del sindicato petrolero, políticos, ordeñadores, tapineros, huachicoleros, extorsionadores, defraudadores, contrabandistas y lavadores de dinero que, alineados con los traficantes de droga, se consolidan como una organización empresarial paralela a Pemex, al grado de competirle en el mercado nacional e internacional de los combustibles.

Esta nueva investigación de Ana Lilia Pérez, autora de *Camisas azules, manos negras*, documenta escrupulosamente las acciones del crimen organizado en la industria petrolera de México: la creación de compañías fachada, los contratos simulados, la ordeña de pozos y ductos, así como el saqueo en las áreas con mayor blindaje. El lector tiene en sus manos un trabajo periodístico decisivo que se ha construido a partir de informes confidenciales, bitácoras del área de seguridad de Pemex, auditorías de la Secretaría de la Función Pública, testimonios de testigos protegidos y, sobre todo, de expedientes reservados en términos de seguridad nacional que la autora logró desclasificar tras una larga batalla. De esta manera se devela cómo la empresa petrolera número once del mundo ha quedado de rodillas ante la mafia, pues la fiebre del oro negro seduce a todos.

El cártel negro es una ventana al fangoso inframundo en el que se ha convertido Pemex, producto de muchos años de saqueo, corrupción e impunidad.
