ENDOXI - all is well in Greek - chronicles a love between an American man and a beguiling Greek woman that spans several tumultuous decades. The story of ineffable longing begins in Greece in 1974 when Nick Flannigan visits Skopelos, where his grandmother was born. It is during a taverna brawl when he first meets Melina Zoros, who whisk the dazed Nick off on his own motorcycle. Days later Melina gives herself to Nick on a rooftop in Athens under the lights of the Acropolis. It is an occasion that transforms both of their lives forever.

They are separated by fate for many years until Melina goes to UCLA to pursue an advanced degree in film. They resume their relationship until fate steps in, and separates them by an ocean and many more years. Nick and Melina reconnect in Athens or Los Angeles at different intervals throughout their lives.

One perfect evening in Greece, followed by a lifetime of ordinary days and nights: how will this love story end?
