If you're going to adopt a philosophy to live by, make it one that gets your heart pumping and unleashes your spirit of adventure!

E-Reads re-releases a classic, smart and sassy advice book from the 1960's, the heyday of the sexual revolution. As one of the most outspoken leaders of the movement, Ruth Dickson unleashes a wicked mind, a razor-edged wit and the freewheeling attitude that made her one of the most popular writers of the day.

After years of personal research, she offers pointed advice on becoming a happy and successful Other Woman, covering everything from the selection, capture and care of a married lover to his ultimate release. She leaves no stone unturned, discussing every aspect of the affair, up to and including the problematic Wife. Wrapping things up with an informative Q&A, *Married Men Make the Best Lovers* is must reading for any woman who treasures both her single status and the enjoyment of a rich, fulfilling sex life. And for those ladies (and gentlemen) who seek further enrichment, Dickson went on to author the definitive non-marriage manual, *Now That You've Got Me Here, What Are We Going to Do?*, also recently released by E-Reads.

Sexier than Helen Gurley Brown, wittier than Xaviera Hollander, Ruth Dickson tells the truth, makes you laugh, gives you innovative ideas and thoughtful advice on how to navigate the tricky waters of true freedom of choice. Other Woman status may not be for everybody but it's difficult to disregard Dickson's cleverly persuasive argument in defense of this provocative lifestyle.
