Back in Georgia, Jenna Rathburne was known as just "the pretty blonde." But from crushing on the smartest boy in school (and being rejected by him) to starting her own business in Alaska, Jenna has always defied everyone's expectations. Still, when her high school crush comes to Good Riddance, Jenna knows her own expectations—and her self-control—are about to get *seriously* tested...

Geologist Logan Jeffries is in Alaska on business. Specifically, to buy out the town of Good Riddance for a mining company. It's a fantastic offer...if only he could get someone interested in it! But someone *is* very interested in Logan—and he doesn't need a science degree to know his chemistry with Jenna is off the charts. And the longer he stays, the harder it is to say so long to Good Riddance...
