Nunca digas nunca (Spanish Edition) Amy Lab

- LIBRO DIGITAL ENRIQUECIDO -
CONTIENE 4 CAPÍTULOS DE REGALO

La vida de Jacq da un giro trágico e imprevisto cuando pierde a sus padres y se ve obligada a trasladarse a un pueblo de la sierra de Madrid. Mientras trata de reponerse, tendrá que adaptarse a un país que le resulta ajeno y a un grupo de desconocidos, entre ellos, Samuel. Pronto se hará un hueco entre su pandilla e irá ganándose la confianza de todos, excepto la suya. Pero, ¿qué es lo que le ocurre a ese chico? ¿Cuál es la razón de ese halo enigmático que lo envuelve? Jacq no puede evitar hacerse preguntas acerca de este extraño que ahora duerme en la habitación de al lado y por el que empieza a sentir algo que se niega a reconocer. Las tardes en el bar, las risas en el lago y las fiestas nocturnas se convertirán en su día a día, pero tras todo ello se guarda un secreto que todos conocen y que nadie parece querer desvelar. Cada gesto es una señal; cada trozo de pasado, una pista que seguir... y a Jacq se le acaba el tiempo. ¿Será capaz de unir todas las piezas del misterio? ¿Será más fuerte ese fantasma que el amor que comienza a sentir?

«Ambientado en España, este es un thriller juvenil protagonizado por un grupo de amigos, en el que a lo largo de sus páginas se va perfilando la personalidad de cada uno de ellos, sus miedos, sus emociones y sobre los que pesa la sombra de una desaparición. Amy Lab desafía la novela juvenil con un inteligente cruce de personajes, aunando amor, misterio y thriller».

LOS BLOGS HAN DICHO:

*** *Nunca digas nunca* es una novela no solo de amor, sino también sobre el valor que tienen los amigos de verdad y sobre la fortaleza que pueden llegar a tener las personas. Jacq es un personaje impresionante en ese sentido. Me alegra mucho que Alfaguara haya querido apostar por buena literatura de la tierra.

Librohólicas

*** *Nunca digas nunca* nos ofrece una historia de amor y amistad repleta de secretos. Con una trama interesante y una narración ágil, hacen que esta novela se disfrute de principio a fin.

El cofre de Nebe

*** Me conquistó este libro desde que apareció su portada en la red. Ese aire vintage y veraniego que prometía una historia intrigante ha cumplido, sin lugar a dudas, con muchas de mis expectativas.

Mideclipse

*** Es una novela juvenil romántica realista. Amor, amistad, soledad y descubrimiento personal, se entremezclarán en la vida de una joven mientras un misterioso suceso le dará un puntito de suspense a la historia.

El desván de los sueños
