**Social Work Practice: Assessment, Planning, Intervention and Review (Transforming Social Work Practice Series)** Jonathan Parker, Greta Bradley

Now firmly established as one of the key texts on the social work degree, this book helps social workers develop the ability to complete, contribute to and present assessments both during practice learning and as a qualified practitioner. Working through this book ensures a thorough knowledge of good assessment, how assessments are conducted and explores some of the difficulties that might arise. Now in its second edition, this book has been fully updated to reflect current thinking and changes to assessment practice. The reader will find new and revised case studies and research summaries, as well as a substantial and invaluable revision of the chapter on tools and diagrammatic aids in assessment. The book also cross-references other titles in the series to help the reader develop their knowledge.
