Many of the prophecies in the Old Testament are fulfilled in the New Testament with the physical appearance of the Lord Jesus Christ. He is the word of the Old Testament made flesh in the New Testament. The Lord Of The Gospels is a selection of addresses about the Savior and the New Testament given at the nineteenth annual Sperry Symposium held October 20, 1990, at Brigham Young University. The symposium honors the late Dr. Sidney B. Sperry, who was a respected scholar and teacher for more than 40 years. The contributors to the symposium explore ancient and current religious themes in the New Testament and share valuable insights. You will find their essays helpful as you study Jesus Christ and his earthly mission.
