Aldwyn's Academy: A Companion Novel to A Practical Guide to Wizardry (Dungeons & Dragons)

Nathan Meyer

Enter a school for magic where even the first day can be (un)deadly...

On the very first day of school at the world-famous Aldwyns Academy for Wizardry, fledgling wizard Dorian Ravensmith finds himself immersed in a mystery. White wolves have been attacking incoming students. Ghosts are haunting the Snapping Dragon Gardens. And the professors lurk in the halls, whispering about a shadowy wizard who seems to be behind it all.

That night, Dorian spies a figure creeping into the Snapping Dragon Gardens and he follows, certain that with the help of a few magic items and simple potions, he can catch the culprit by daybreak and return a hero. But as hobgoblins, banshees, and a terrifying dragon try to stop him at every turn, Dorian discovers that he's stepped into an (un)deadly trap that could not only destroy his future as a wizard but also the beloved wizardry school.
