The doctrine of the Trinity resonates deeply with today's fresh expressions of church as it allows for a divine open-endedness that refuses to be bound by fixed meanings or absolute certainty. It provides a framework for understanding new forms of spiritual seeking and the changing shapes of church. In an age of individualism, it speaks with great prophetic challenge. The Trinity transcends simplistic definitions of God and allows for a multiplicity of approaches. An essential volume for all engaged in mission today, God Unknown shows how a renewed understanding of the Trinity can illuminate mission, worship and spirituality practice in today's secular culture.
