Goose and Tomtom David Rabe

The author of *Hurlyburly* again explores the struggle between hope and anguish in the human spirit in this story of two small-time jewel thieves united in a strangely unsettling friendship and the constant fight to prove to themselves and others how tough they are. But when their frantic scheming suddenly begins to betray them in mysterious ways, they find themselves trapped into a kidnapping and a murder over which they seem to have no control. Or do they? David Rabe's language creates and re-creates reality in constantly surprising ways, magically dramatizing the danger of the power of illusion-and the illusion of power-with force and insight.
