*Always stand. Never fall.*

*Broken Mirrors, Book 2*

*If I could offer one piece of advice now, as I fall past the eighty-fourth floor of Victory Tower, with the sky above me the swirling eye of a crimson hurricane, the blade of a goddess stuck in my thigh, and a man I used to love preparing to end the world, it would be this: Magic is not the answer to your problems.*

Sorcerers have always been feared in the City, their origins as unknown as the nature and extent of their power. When James Black, a young man fleeing an abusive lover, becomes a sorcerer, his old life is erased from existence, and his new life is indebted to powerful entities.

Escaping the man who abused him was supposed to be the end, but the very magic that freed him has put him on a collision course with the gods and the Sorcerer King himself.

And only one of them can survive.

Warning: This is a work of urban fantasy featuring a gay male protagonist, with a romantic subplot and focus on magic, dragons, tricksters, sorcerers, and survival of domestic abuse. Please adjust expectations accordingly.
