The Analytic Turn: Analysis in Early Analytic Philosophy and Phenomenology (Routledge Studies in Twentieth-Century Philosophy)

The Analytic Turn: Analysis in Early Analytic Philosophy and Phenomenology (Routledge Studies in Twentieth-Century Philosophy)

This collection, with contributions from leading philosophers, places analytic philosophy in a broader context comparing it with the methodology of its most important rival tradition in twentieth-century philosophy--phenomenology, whose development parallels the development of analytic philosophy in many ways. *The Analytic Turn* will be of great interest to historians of philosophy generally, analytic philosophers, and phenomenologists.
