The Fallback Plan Leigh Stein

A hilarious debut novel about the tricky period between graduating from college and moving out of your parents' house

What to do when you've just graduated from college and your plans conflict with those of your parents? That is, when your plans to hang out on the couch, re-read your favorite children's books, and take old prescription tranquilizers, conflict with your parents' plans that you, well, get a job?

Without a fallback plan, Eshter Kohler decides she has no choice but to take the job her mother has lined up for her: babysitting for their neighbors, the Browns.

It's a tricky job, though. Six months earlier, the Browns' youngest child died. Still, as Esther finds herself falling in love with their surviving daughter May, and distracted by a confusing romance with one of her friends, she doesn't notice quite how tricky the job is ... until she finds herself assuming the role of confidante to May's mother Amy, and partner in crime to Amy's husband Nate. Trapped in conflicting roles doomed to collide, Esther is forced to come up with a better idea of who she really is.

Both hilarious and heartbreakingly moving, *The Fallback Plan* is a beautifully written and moving story of what we must leave behind, and what we manage to hold on to, as we navigate the treacherous terrain between youth and adulthood.

From the Trade Paperback edition.

From reader reviews:

Donna Antonucci:

What do you think about book? It is just for students because they're still students or the idea for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book The Fallback Plan. All type of book could you see on many methods. You can look for the internet options or other social media.

Raymond Albanese:

Here thing why this particular The Fallback Plan are different and reliable to be yours. First of all studying a book is good nonetheless it depends in the content of the usb ports which is the content is as delicious as food or not. The Fallback Plan giving you information deeper as different ways, you can find any publication out there but there is no publication that similar with The Fallback Plan. It gives you thrill looking at journey, its open up your own eyes about the thing this happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your means home by train. Should you be having difficulties in bringing the paper book maybe the form of The Fallback Plan in e-book can be your option.

Gerald Wright:

A lot of people always spent their own free time to vacation or maybe go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun for you personally. If you enjoy the book you read you can spent all day long to reading a guide. The book The Fallback Plan it is quite good to read. There are a lot of people that recommended this book. These were enjoying reading this book. When you did not have enough space to create this book you can buy the actual e-book. You can m0ore simply to read this book from a smart phone. The price is not very costly but this book possesses high quality.

Harold Bunch:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Fallback Plan, you may enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its known as reading friends.
