A Hippo Love Story Karen Paolillo

When the threads that hold human society together unravel, the animal kingdom suffers. Karen Paolillo discovered this first-hand in Zimbabwe when she developed a close connection with thirteen hippos in their natural habitat, the Turgwe River. Her mission to save these exceptional animals after they came under threat of drought, land invasions and poachers developed into a beautiful African love story. It is also the stirring tale of how one woman faced personal and financial adversities while ensuring the survival of a family of hippos, with Bob, a three-ton bull, as their leader. With the establishment of the Turgwe Hippo Trust, Karen has triumphed as guardian of the hippos, and the animals have prospered ever since. *A Hippo Love Story* shares this heroic journey of a nature lover who became an ally of one of Africa's most fearsome animal species.
