Shooting Stars (A Surah Stormsong Novel) (Volume 1) H. D. Gordon

Surah Stormsong is one of the most powerful Sorceresses in the world. She is a princess who is next in line for the throne. As someone who has lost almost everything to this world, she only wants to pull away from it and live a normal life, but when Highborn ladies start being murdered and the Black Stone-a weapon that is capable of great destruction-goes missing, she is called upon to solve the issues and return her people to a state of safety. But danger lurks inside the castle walls as well, and when she runs into Charlie Redmine, a common Sorcerer Surah met once as a child, things grow complicated very quickly. He is the main suspect of the murders, but Surah is powerless against the connection she feels to him. Time is ticking, and if she doesn't figure out what's going on things will go from bad to worse, and an entire kingdom will suffer for it. From the author of the bestselling series, The Alexa Montgomery Saga, comes a tale of star-crossed lovers and magic, of hope and love and loss. The greatest question is, can love overcome all?
