The Rose of Sarifal (Forgotten Realms) Paulina Claiborne

Cloaked in mist and layered in magic, the denizens of Moonshae Isles move in secret circles as capricious rulers vie for power.

High Lady Ordalf wanted her niece, the princess known as the Rose of Sarifal, dead. Instead, the young regent was secreted away by the high lady's opponents. For years the eladrin queen of Gwynneth Isle has searched for evidence of her niece's death, and word has finally come in the form of a castaway's tale. The princess lives on the island of Moray—a mad beauty who leads a nation of lycanthropes.

As long as her niece is alive, Lady Ordalf cannot rest secure in her claim to the throne. Enlisting a band of adventurers to seek out the princess is the first step toward stemming the Rose of Sarifal and her tide of wolves. Will those heroes see the same threat the queen sees in the beautiful young maiden?

From reader reviews:

Allan Carle:

Book is usually written, printed, or created for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important factor to bring us around the world. Close to that you can your reading talent was fluently. A guide The Rose of Sarifal (Forgotten Realms) will make you to always be smarter. You can feel far more confidence if you can know about every thing. But some of you think in which open or reading some sort of book make you bored. It's not make you fun. Why they can be thought like that? Have you searching for best book or suited book with you?

Patricia Trevino:

Nowadays reading books become more than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining for example comic or novel. Often the The Rose of Sarifal (Forgotten Realms) is kind of book which is giving the reader unpredictable experience.

Charles Sizemore:

People live in this new time of lifestyle always make an effort to and must have the free time or they will get large amount of stress from both daily life and work. So , whenever we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will certainly unlimited right. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, often the book you have read is usually The Rose of Sarifal (Forgotten Realms).

Susan Arnold:

What is your hobby? Have you heard in which question when you got college students? We believe that that question was given by teacher for their students. Many kinds of hobby, All people has different hobby. And you know that little person including reading or as reading become their hobby. You must know that reading is very important along with book as to be the factor. Book is important thing to add you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you choose to adopt be your object. One of them is niagra The Rose of Sarifal (Forgotten Realms).
